Thank you for downloading this program!

This is a trial version of PalmaryDates

You can add only 2003 year's holidays to the Date Book.

To get the full version you must register your program.

Please, visit our site [www.palmarysoft.com](http://www.palmarysoft.com) for more info.

## Description

The screenshot shows a window titled "Holiday description" with a date selector "12/25" and a double arrow icon. The main heading is "Christmas". The description text reads: "Christmas comes from the words Christ's Mass, celebrates the birth of Jesus of Nazareth." Below this, a list of countries is provided: "Observed in: Argentina, Australia, Belgium, Brazil, Canada, Chile, Christian, Colombia, CostaRica, Czech Republic, Denmark, Ecuador, Finland, France, Germany, Greece,". At the bottom, there are four buttons: "Done", "Export", "Date Book", and "Add". A vertical double-headed arrow is positioned to the right of the text area.

PalmaryDates is a multifunctional holiday manager. It gives you the information about the 400+ unique national and religious holidays for 70+ countries. You can easily export the holidays of your own choice to the Palm Date Book or to the MemoPad. PalmaryDates makes it possible for any year, from 2003 to 2015. And in the case a holiday is absent in the list, you can easily add it.

We'll be very glad if you like and use our program.

## Downloading

PalmaryDates program is distributed in archive zip format. You can download the file from [www.palmarysoft.com/download](http://www.palmarysoft.com/download). After the download you should unpack the archive file into any temporary folder. Use the [WinZip](#) program for it.

## Installation

To have PalmaryDates in your Palm-organizer install all the files (PalmaryDates.PRC and PalmaryData1.PDB - PalmaryData4.PDB files) into it. Double-click PalmaryDates.prc to launch the Palm Install Tool, add PalmaryData1.pdb – PalmaryData4.pdb files, select the appropriate User, click OK and Done, then perform a HotSync to install PalmaryDates on your handheld.

**NOTE:** If You have got the previous version of PalmaryDates on Your Palm, you may overwrite it. All the user's settings will remain available. BUT if You have added some Holidays DO NOT reinstall PalmaryData1.PDB - PalmaryData4.PDB files!

## **Purchase and Registration**

You can freely use the full functional trial version of PalmaryDates. The only restriction of the trial version is on the holidays' export into Date Book. It is available ONLY for 2003 year. If you decide to buy PalmaryDates, please visit [www.palmarysoft.com](http://www.palmarysoft.com). Registration for our software means purchasing a registration code that will remove all limitations of trial version. Registration code will be immediately sent to you after purchasing. Enter it exactly as it appears, and the trial software will be converted into a registered version.

## Removal

Removing PalmaryDates is easy. If you use any of the third party launchers (like Silverscreen, Zlauncher etc.), exit it.

Use the Delete command of App Menu to remove the program: select PalmaryDates in the list of programs installed into your Palm-organizer and tap the Delete button.

**Note: DO not Remove PalmaryDates before you uninstall all the holidays from the Date Book otherwise you will have to do it manually! You can refer to the [PalmaryDates Menu](#) form for more details about Uninstall function.**

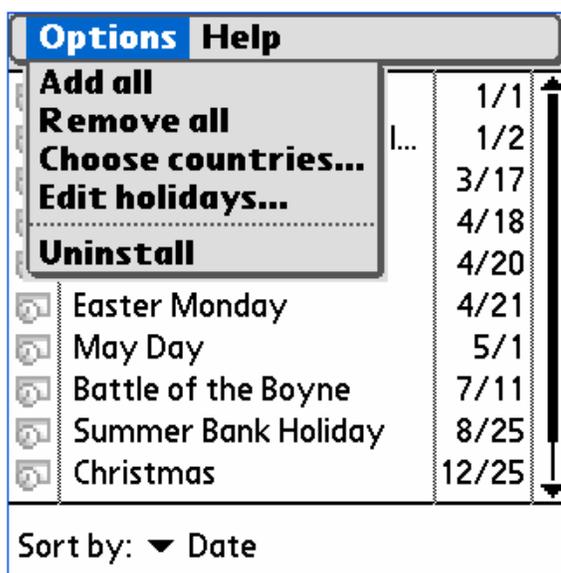

## PalmaryDates Quick Reference

PalmaryDates started for the first time offers a user to choose a country or religion as well. Simply tick the countries (or religion) you need. **You may use Graffiti to enter the first letter of the word you are looking for.**

## PalmaryDates Menu

To call PalmaryDates menu tap either on menu icon or onto the top of PalmaryDates screen.

**Add all** – adds all the holidays of the list to the Date Book.

**Remove all** – removes all the holidays of the list from your Date Book.

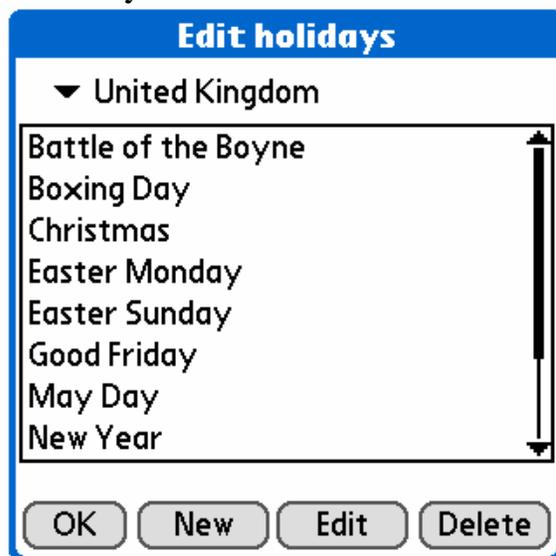

**Choose countries** –changes the choice of the country (countries or religion) if you want to work with several holiday lists at the same time.

**Uninstall** – if you have worked with several holiday lists UNINSTALL will delete ALL the holidays from your Date Book

**Note: DO not DELETE PalmaryDates before you uninstall all the holidays from the Date Book otherwise you will have to do it manually!**

## Edit Holidays

This form gives an opportunity to edit the holiday list, add some holidays or delete them. You may use **Graffiti** to enter the first letter of the word you are looking for.

The screenshot shows a dialog box titled "Edit holidays" with a blue header. Below the header, there is a dropdown menu currently set to "United Kingdom". A scrollable list of holidays is displayed, including "Battle of the Boyne", "Boxing Day", "Christmas", "Easter Monday", "Easter Sunday", "Good Friday", "May Day", and "New Year". At the bottom of the dialog, there are four buttons: "OK", "New", "Edit", and "Delete".

Choose the country which holiday list you want to edit.

Tap **Ok** to quit the form.

Tap **New/Edit** to add/edit a holiday
