1.0 General

Thank you for downloading License2. We hope you find this application a useful extension to your handheld device. This version of License2 is a full 15 day trail version. Please email your questions, comments, and bug reports to support@armedforlife.com.

2.0 Installation

The following steps will get you up and running with License2.

Option 1 -

1. Double click the .exe file. This should start the installation program. Follow the on screen directions.
2. Place you Palm device in its cradle and perform a HotSync.
3. Next tap on the 'L2' icon to install the app.
4. The License2 applications are now installed on your handheld and ready for use.

Option 2 -

1. Unzip the files from the .zip/.sit file.
 2. Double click on the .prc file and this should automatically place the file into the Palm installer. Then place you Palm device in its cradle and perform a HotSync.
 3. Next tap on the 'L2' icon to install the app.
 4. The License2 applications are now installed on your handheld and ready for use.
-

3.0 Uninstalling

On the Palm OS device, use the App->Delete menu command from the applications screen and choose the appropriate title.

4.0 Product Limitations and Requirements

Requires Palm OS 3.1 or greater.

4.5 Manual

Title	Version
Paint Shop Pro	7.01
Windows XP Home	
License2	1.0

The **Index** shows all the software you have entered. Tap any of the entries to view them. Then you can use the drop down box at the top to sort your titles by category. Use the **up/down** arrows to scroll through your list. The '**New**' button adds new record.

This screen allows you to enter the detailed information about your software. The drop down box at the top is where categorize your software. The button next to Vendor takes you to another screen where you can enter more detailed info about your purchase of the Vendor.

Title	Purchased
Paint Shop Pro	5/20/03
Vs. 7.01	
O/S	NT/XP
Format	exe
Vendor	JASC
Reg. Code	xxx-111-222-333j
CDKey/Reg.	
Notes	Purchase for consulting job at bank.
