

Disclaimer and Software License Agreement

Before you use Photo Contacts (the "Software") for the first time, please read this Disclaimer and License Agreement. By your action of using Photo Contacts, you are agreeing to comply with all terms contained in this License.

Users of Photo Contacts must accept this disclaimer of warranty: "The Software is supplied AS IS. Pocketx Software Inc. ("PocketX") disclaims all warranties, expressed or implied, including, without limitation, the warranties of merchantability and of fitness for any purpose. PocketX assumes no liability for damages, direct or consequential, which may result from the use of the Software."

Individuals may freely distribute only unaltered, demo versions of the archive containing the Software and all associated files only to other individuals. Organizations that wish to include this program in distributions or bundles for remuneration must contact PocketX for explicit authorization. After the Software has been licensed, it may not be freely distributed.

The Title, ownership rights, and intellectual property rights in and to the Software shall remain with PocketX. You agree to abide by the copyright law and all other applicable laws of the United States including, but not limited to, export control laws. You acknowledge that the Software in source code form remains a confidential trade secret of PocketX therefore you agree not to modify the Software or attempt to decipher, decompile, disassemble or reverse engineer the Software, except to the extent applicable laws specifically prohibit such restriction.

Ordering and pricing information

Visit our web site at <http://www.pocketx.net> for the latest ordering and pricing information.

Upgrade information

The purchase of a single user license entitles you to free upgrades for a period of six (6) months after the date of purchase. For example, if you purchase a license on January 1, 2003, you will be eligible to use all versions of the software released between January 1, 2003, and May 31, 2003. The software will not expire, but in order to use software released on or after June 1, 2003, you will have to purchase an upgrade license.
